Submitted to the Government.

2. In G.O. Ms. No. 3086, Agriculture, dated the 14th October, 1954, sanction has been accorded to the retention of the Civil Supplies staff in the South Kanara district upto 30-11-1954. The Collector of South Kanara has submitted proposals for the further retention of staff. The Board has examined the Collector's proposals and it considers that the post of the Civil Supplies Tahsildar in the district may be downgraded to that of an Head Clerk in the grade of Deputy Tahsildar with effect from 1--12--1954 and one of the three peons retrenched on 1-12-1954. It also considers that the retention of the remaining staff (with the exception of two Assistant Taluk Supply Officers, one Lower Division Clerk and two peons already proposed for retrenchment) upto 31-12-1954 is necessary and that the entire staff with the exception of one Upper Division Clerk may be disbanded on 31-12-1954 A.N. The Collector of South Kanara is being informed accordingly. In the circumstances, the Board requests the Government to sanction (i) the retention of the staff shown in the annexure for one month from 1-12-1954 to 31-12-1954 (ii) the conversion of the existing post of the Civil Supplies Tahsildar into that of an Head-Clerk in the Deputy Tahsildar's grade on Rs. 150-200 per mensem with effect from 1--12--1954 and (iii) the retention of the converted post of Head-Clerk upto 31-12-1954, for Civil Supplies work in the South Kanara district.

/ENCLOSURE/

Copy of the letter from Sri. M.G. Raja Rao, I.A.S., Collector of South Kanara, Mangalore, to the Secretary to the Commissioner of Civil Supplies, Board of Revenue, Chepauk, Madras--5.

Ref. No. C. 13148/54.P.2. dated 8--11--1954.

Sub:-- Establishment--Civil Supplies--South Kanara District Staff--retention from 1-12-1954 to 31-12-1954--proposals--Submitted.

Ref:-- G.O. Ms. No. 3086, dated 14-10-1954.
Board's Ref. No. 78966/54,CS, dated 3-11-1954.

-:ooo:-

In the Government order cited, sanction has been accorded for the retention of the Civil Supplies staff in the South Kanara district upto 30--11--1954. Proposals for the retention of Civil Supplies staff till 31-12-1954 are submitted below:--

2. In my letter Ref. C. No. 26162/54.P.4, dated 4--11--1954 proposals were submitted for the continuance of the Fair price shops till 31-12-1954 in the deficit pockets of the district. The staff detailed below is recommended for retention from 1-12-1954 to 31-12-1954 for work connected with supervision of Fair Price shops and reception depots. Particulars of staff that will be retrenched are shown in Annexure II.

(a) HOSDRUG SUB-TALUK:- There are 52 ration shops now functioning Hosdrug Sub-Taluk. As there are no imports, it is proposed to retrench the post of Assistant Taluk Supply Officer, Neleshwar and his peon with effect from 30-11-1954. After-noon and entrust the supervision of Fair price shops in Neleshwar Firka to the Taluk Supply Officer, Hosdrug. Hosdrug Sub-Taluk is a highly deficit area and there are no private wholesalers having sufficient funds to import large stocks of rice from Tanjore and Andhra surplus areas. The offtake of rice in the Sub-Taluk is likely to increase in the coming months. Besides, a portion of Tanjore I sort rice and Andhra rice are not stocked in 3 reception depots of Hosdrug Sub-Taluk which have to be handed over to the representative of the Government of India, soon. The amount of transport charges payable to retailers is considerably large in this Sub-Talu, as also the collection of differential cost on account of volumetric contents. This a responsible item of work and has to be attended to by an officer of the Deputy Tahsildar's grade. In order to assist the Taluk Supply Officer, Hosdrug in correspondence work one Lower Division Clerk is required. One peon is also necessary for the Taluk Supply Officer.

(b) KASARAGOD TALUK:- The post of one Lower Division Rationing Inspector will be retrenched on the After-noon of 15-11-1954. At present there are 10 Fair price shops in the ex-statutory rationed area of Kasaragod and 14 Fair price shops in the rural areas of Kasaragod Taluk. Hence the continuance of the existing Civil Supplies Staff in Kasaragod Taluk, viz., One Assistant Taluk Supply Officer on Rs.110/- one Lower Division Clerk and peon is quite necessary for work connected with the running and supervision of Fair price shops till 31-12-1954. He has to attend to the work relating to the

to the refund of Security deposits also, and inspection of reception depots at Kasaragod; payment of transport charges and collection of differential cost from retailers.

(c) UDIPPI TALUK:- There are 7 Fair price shops in the Ex-statutory rationed area of Udippi and 13 shops in the rural areas of Uddippi Taluk. There are also 32 rice mills functioning in Udipi Taluk and the Assistant Taluk Supply Officer has to inspect them frequently and check their accounts in order to prevent malpractice by Millers. In addition to the scrutiny of indents, passing of ration authorities, inspection of fair price shops refund of security deposits etc., the Assistant Taluk Supply Officer has to prepare bills for transport charges incurred by retailers and collection of differential cost on account of volumetric contents etc. Thus there will be full work for the Assistant Taluk Supply Officer, one Lower Division Clerk and one peon. The retention of the Civil Supplies staff in Udipi Taluk till 31-12-1954 is therefore absolutely necessary.

(d) The Civil Supplies work in the other Taluks of Coondapur, Karkal, Mangalore, Belthangady and Puttur are now being attended to by the regular revenue staff as the work in these taluks is negligible.

3. STAFF IN THE COLLECTOR'S OFFICE:- The existing staff consists of the following:-

(a) CIVIL SUPPLIES STAFF:-

One Civil Supplies Tahsildar.	for work under Civil Supplies Tahsildar.
One Upper Division Clerk.	
Two Lower Division Clerks.	
One Typist.	
Three peons.	

(b) RECEPTION STAFF:-

One Reception Deputy Tahsildar.
Two L.D.Clerks (one for executive work and one for work under Reception Deputy Tahsildar)
Two peons, one for Rec.Dy.Tahsildar and one for L.D.Clerk doing executive work.
One Head Accountant.
One Lower Division Clerk.

The entire stocks of rice in this District are now held by the South Kanara Central Co-operative Wholesale Stores, Limited., Mangalore under agency system. Thus the maintenance of cash accounts, stock registers of foodgrains received on Government account, watching the receipt of F.N. extracts of stock accounts and preparation of monthly returns and pro-forma accounts and payment of bills for services rendered by the South Kanara Central Co-operative Wholesale Stores, Ltd., Mangalore, has thrown additional work on the clerical staff in this Office. Further, bills for transport charges, subsidy etc. payable to retailers in the ex-statutory rationed area of Mangalore are being prepared and disbursed from this office as ordered by the Board. The rationing staff working in the Ex-statutory-rationed area of Mangalore consisting of one Assistant Rationing Officer III grade, one Clerk and peon will be retrenched with effect from 15-11-1954. A.N. and the work hitherto attended by the above staff will be done in the Civil Supplies section of my Office. The Civil Supplies Tahsildar has also to attend to the work connected

with Food production in addition to the work connected with Civil Supplies. Thus the hands of the entire Civil Supplies staff are full and there is no scope for retrenchment at present.

4. Further details justifying the retention of the Civil Supplies staff in the Collector's Office till 31-12-1954 are furnished below:--

(a) There is no separate section head for the Civil Supplies section of my office. The Reception Deputy Tahsildar, Mangalore who has no separate office, is functioning as section head. Though there are no imports at present, he has to check the stock accounts at Mangalore A depot, inspect the stocks at periodical intervals, watch the movement of rice from Mangalore A Depot to Muffasal depots, conduct test measurement and weighment of stocks for fixation of volumetric contents, in addition to regular office work. He has also to scrutinize the bills towards transport charges presented by the retailers of Mangalore Ex-Statutory rationed area draw the amounts from the Treasury and disburse them. After the abolition of the post of Assistant Rationing Officer, Mangalore, from 15-11-1954 onwards, he will have to scrutinize the indents, issue ration authorities watch the collection of differential cost on account of volumetric contents. He will also hold periodical inspection of Fair price shops and have to hand over the stocks of Tanjore I sort rice held at Mangalore depot to the representative of the Government of India shortaly.

(b) RECEPTION REVENUE INSPECTOR:- The Reception Revenue Inspector has to obtain F.N. extracts from stock accounts relating to the wholesale depot at Mangalore and help the Reception Deputy Tahsildar in scrutinising these extracts. He has also to assist the Reception Deputy Tahsildar in his outdoor work in holding test measurements and supervising the cleaning of stocks when found necessary and attend to the writing up of stock registers 1 to 6, standardisation register, empty gunny register, register of husk bags etc. He has to scrutinize the F.N. extracts of stock accounts received from other reception centres. before posting in the district consolidated Registers. This clerk has got full daily work at present.

(c) ONE LOWER DIVISION CLERK UNDER RECEPTION DEPUTY TAHSILDAR: (Wheat Clerk)-

Though wheat stocks have been exhausted in this District, the claims of the South Kanara Central Co-operative Wholesale Stores, Ltd., Mangalore towards godown rent, shrinkage allowance etc. have not yet been settled. Two items of subsidy amount sanctioned by the Government are still pending payment to the South Kanara Central Co-operative Wholesale Stores, Limited., Mangalore for want of advance receipt from them. Certain items of standardization shortages are still pending regularisation and Board's orders are awaited in some cases. This clerk is also attending to the notes of Inspection of the test audit party of the Accountant-General, State Trading Scheme Party and Accounts Instruction Party, Board of Revenue, Madras. There are 3 such Inspection notes to be attended to at present. So the wheat clerk has got sufficient work now. He attends to the pre-paration of pay bill T.A: bills etc., of the Reception staff.

(a) ONE HEAD ACCOUNTANT:- He is maintaining all cash accounts, checks the monthly accounts sent to Board, attends to the preparation of proforma accounts, control of expenditure statement under 85-A. Schemes. As the issue of rice through Fair Price shops will be continued till 31-12-1954, the retailers will be remitting amounts daily to the Treasury towards the cost of rice. The following statement shows the number of triplicate challans received for posting in the cash Book.

Month.	No. of Challans.	Total Amount.
July, 1954.	771	578,427--4--6
August, 54.	642	661,062--4--5
September, 1954.	373	265,652-14--3
October, 1954.	243	114,976--10--3

All correspondence relating to Civil Supplies accounts and all bills issued to South Kanara Central Co-operative Wholesale Stores, Limited., Mangalore towards services rendered by it are scrutinised by the Head Accountant. The work relating to closure of Collector's P.D.account, return of unused cheque books and the remittance of balance of sale proceeds to the Board can be taken up only after the Fair Price shops are closed. Though relaxation of all controls on movement of rice with effect from 10--7--1954 has been ordered, normal work in the Civil Supplies section continues to be heavy on account of issue of rice through Fair price shops.

(c) ONE LOWER DIVISION CLERK:- This clerk is attending the correspondence relating to rice imports, watching the settlement of Railway-claims, regularization of godowns shortages etc. This clerk will have full daily work so long as rice stocks are held in this District on Government account. The claim of the Stores towards godown rent, commission and shrinkage allowance can be settled only after handing over the stocks to the representative of the Government of India. This clerk as well as the Head-Accountant-(Civil Supplies) are being deputed to other taluk centres for checking the bills of extra transport charges and subsidy paid to retailers. This clerk has got adequate daily work!

II. CIVIL SUPPLIES STAFF:-The Civil Supplies Tahsildar is the non-gazetted personal Assistant to the Collector in Civil Supplies matters. He is a touring officer who has to spend 10 days in a month on tour for the inspection of Fair Price Shops, food production registers maintained by Karnams and in the Taluk Offices and Food production works, besides overchecking the work of the subordinate Civil Supplies Officers.

(b) ONE UPPER DIVISION CLERK:- This clerk is attending to the correspondence relating to maintenance and repair of Jeeps payment of petrol bills, submission weekly prices report to Board and weekly telegrams about stock position to Board, etc., He also attends to correspondence relating to Madras Rice Mills Licensing Order, 1951 and Food grains (Licensing and Produrement) Order, 1952 and dis-

distribution of Skim Milk and vitamin tablets and papers of general importances relating to Food. At present there are 32 petrol bills, 6 repair bills and 6 spare parts bills pending settlement. There are 19 currents in his seat now pending. The retention of the Upper Division Clerk's post till 31-12-1954 is quite essential.

(c) ONE LOWER DIVISION CLERK:- This clerk is attending to correspondence relating to refund of Security deposits made by the Fair Price shop keepers, submission of weekly and F.N. offtake returns to Board and scrutiny of Travelling Allowance bills submitted by the Subordinate Officers, preparation of Establishment pay bills, submission of control of expenditure statement comparing of Fair Copies. Disciplinary action against Fair Price Shop keepers are all attended to by him. He has got full daily work at present.

(d) ONE LOWER DIVISION CLERK:- This clerk has hitherto attending to the work relating to the issue of permits to Islanders and other miscellaneous work. As the work connected with the scrutiny of Indents submitted by the Fair Price shop keepers of Mangalore rationed area and passing of ration authorities will be taken up in the Collector's Office from 16-11-1954, this clerk will be entrusted with the work hitherto done by the Lower Division Clerk attached to the Rationing Officer, Mangalore. Besides writing up ration authorities, he has to prepare the weekly return relating to Mangalore ex-Statutory rationed area and prepares the bills relating to transport charges payable to retailers.

(d) TYPIST: One separate Typist for the Civil Supplies Section is quite essential for the preparation and quick despatch of Fair copies. The retention of the typist till 31-12-1954 is therefore necessary.

(f) PEONS: The existing peons may be allowed to continue till 31-12-1954.

5. In the circumstances, I request that the Board may be pleased to move the Government for the retention of the staff mentioned in Annexure III till 31-12-1954. as already recommended in its Ref. No, F. 69308/54. dated 30--9--1954, or till the necessity for its continuance ceases, whichever is earlier. Such of the staff as have no sufficient work will be dispanded earlier, as I am reviewing the position critically every month.

Yours faithfully,

-:o:-

Board's Ref.No.F.80123/54-CS dated 25.11.1954.

-:o:-

The Board in its reference cited has recommended the retention of the Civil Supplies Staff mentioned in Annexure III of this office letter Ref.C.No.13148-54-P dated 8.11.1954 excepting the post of Civil Supplies Tahsildar and one peon from 1.12.54 to 31.12.54. It has also recommended the down grading of the Civil Supplies Tahsildar's post into that of a Head Clerk in the Deputy Tahsildar's grade.

2. In this Office letter Ref.C.No.13148/54-P& dated 8.11.1954 I have already reported in detail the need for the retention of the post of Civil Supplies Tahsildar till 31.12.1954. If the post is down graded at this stage it will ~~only~~ retard the process of winding up of the Civil Supplies Section of this Office and also dislocate the work. The present Civil Supplies Tahsildar has been in charge of the work since the ~~abolish~~ abolition of the post of District Supply Officer and even prior to that as Reception Tahsildar and he is the only member of the staff who is well with the work and who is able to [illegible] handling complicated [illegible] Settlement

be appointed in his place if the post is downgraded will naturally take some time to study and understand things and by that time the period of retention of the post will expire. It will not also be possible to have any proper supervision over the work of the Taluk Supply Officer, Hosdrug(post in Deputy Tahsildar's grade) and the Assistant Taluk Supply Officers Kasaragod and Udipi if the Civil Supplies Tahsildar's post is converted into the post of a Head Clerk in the Deputy Tahsildar's grade. The savings that could be effected by downgrading the post are not worth considering taking into account the amount of inconenience and dislocation of work that will be caused at this final stage of winding up. The retention of the post is absolutely necessary in the interests of work and I therefore request that the Board may be pleased to reconsider its recommendation to Government and to permit the retention of the post of the Civil Supplies Tahsildar and one peon till 31.12.1954. The posts of the Civil Supplies Tahsildar and one peon are being retained in anticipation of sanction in consultation with the Secretary to the Commissioner of Civil Supplies, over the trunk phone.

3. The internal movement of rice stocks from Hosdrug Sub Taluk to Mangalore is almost over. The one lower divion Clerk sanctioned for executive work under the Reception Deputy Tahsildar will not have full daily work in future. The work hitherto attended by him will be transferred to the other Lower Division Clerk working under the Reception Deputy Tahsildar. I, therefore propose to retrench the post of one Lower Division Clerk and peon under "Reception staff" with effect from the After noon of 30.11.1954.

be appointed in his place if the post is downgraded will naturally take some time to study and understand things and by that time the period of retmention of the post will expire. It will not also be possible to have any proper supervision over the work of the Taluk Supply Officer, Hosdrug(post in Deputy Tahsildar's grade) and the Assistant Taluk Supply Officers Kasaragod and Udipi if the Civil Supplies Tahsildar's post is converted into the post of a Head Clerk in the Deputy Tahsildar's grade. The savings that could be effected by downgrading the post are not worth considering taking into account the amount of inconenience and dislocation of work that will be caused at this final stage of winding up. The retention of the post is absolutely necessary in the interest of work and I therefore request that the Board may be pleased to reconsider its recommendation to Government and to permit the retention of the post of the Civil Supplies Tahsildar and one peon till 31.12.1954. The posts of the Civil Supplies Tahsildar and one peon are being retained in anticipation of sanction in consultation with the Secretary to the Commissioner of Civil Supplies, over the trunk phone.

3. The internal movement of rice stocks from Hosdrug Sub Taluk to Mangalore is almost over. The one lower divion Clerk sanctioned for executive work under the Reception Deputy Tahsildar will not have full daily work in future. The work hitherto attended by him will be transferred to the other Lower Division Clerk working under the Reception Deputy Tahsildar. I, therefore propose to retrench the post of one Lower Division Clerk and paon under "Reception staff" with effect from the After noon of 30.11.1954.

Yours faithfully,
